

RESOLUTION -- No. 5-2017

A Resolution certifying the amount of the 2017 Tax Roll Special Charge for Garbage/Recycling Service

Whereas, an annual, garbage/recycling fee was established in 2007, under Wis. ss 66.0627, to be collected in three ways:

1. As a special charge for each residential unit on improved real property;
2. As a special permit for commercial users, and
3. As a special permit for mobile homeowners.

Whereas the garbage/recycling fee is to be certified each year, based on the actual costs of November 1 of the past year thru October 31 of the current year. Any special permit garbage/recycling fees collected during the same period will be deducted from the actual cost of the annual service.

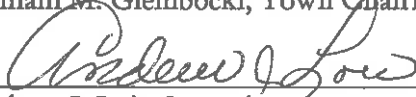

Whereas, during the period of November 1, 2015 thru October 31, 2017 year, the total amount paid for garbage and recycling totaled \$121,088. Special permit fees received during the same period totaled \$1,206.90. The net cost of garbage and recycling service totals \$119,881.

The total of residential units listed as part of the 2017 Real Property Assessment Roll is 1,338.

Therefore, the residential unit rate to be collected on the 2017 Real Property Assessment Roll as a Special Charge is certified as \$89.60. The commercial user rate will be \$89.60. The mobile homeowner rate will be \$20 for a card with 10 uses.
